Address: 53/1 Hoang Dieu, Ward 10, Phu Nhuan District, Ho Chi Minh City, Vietnam

A recent graduate majoring in IT seeking a job opportunity in the field of front-end development. Having a background in working with popular front-end languages, frameworks, and libraries. Responsible working attitude, willing to listen, and eager to learn.

EDUCATION

Mar, 2017

IELTS 6.5 Certification

Jul 17, 2017 - Jun 14, 2021

RMIT University Vietnam, Ho Chi Minh, Vietnam

Bachelor of Information Technology

EXPERIENCE

Front-end Developer Internship (*May 4, 2021 - Jul 30, 2021*)

TMA Solutions

- Learn TypeScript and other popular React libraries
- Contribute to the company's projects by fixing bugs and adding features to the website.

TECHNICAL SKILLS

- Javascript, TypeScript, HTML, CSS, C, Python
- ReactJS, Redux, Bootstrap, Material UI, React-hook-form, Redux-toolkit
- Git, GitHub, Postman

PERSONAL PROJECTS

- Online Bookstore: [thienhieu215/bookstore-react-typescript](https://github.com/thienhieu215/bookstore-react-typescript)

UNIVERSITY PROJECTS

- **Vietnam Sach & Xanh Website** (*Nov 19, 2019 - Jan 20, 2020*)

An assignment about building a website for the Vietnam Sach & Xanh organization. Administrators and organizers will be provided with accounts. They need to log into their account in order to create and manage upcoming/past events. Normal users can enter the website without having to log in. They can view upcoming events and sign up for events. In this assignment, I'm in charge of developing the front-end of the website using ReactJS, Redux, CSS, and Bootstrap.

- **Face Recognition Attendance Application** (*Jul 20, 2020 - Jan 21, 2021*)

A capstone project about building an attendance system for RMIT consists of a website for management, a model for face recognition, and a cross-platform mobile application using face recognition technology for attendance checking. In this project, I'm in charge of developing the front-end of the website. The site is used by administrators to manage student and lecturers accounts, courses, and attendance sessions. Attendance history will be saved and used for statistics. The front-end of the website is developed with ReactJS, Redux, CSS, and Material UI.

PERSONAL SKILLS

- Able to work individually and collectively
- Active listening and active learning
- Good communication skill
- Responsible and flexible

EXTRACURRICULAR ACTIVITIES

- **RMIT Vietnam Basketball Club**

A member of one of the largest sports clubs at RMIT. Can play basketball well and has participated in organizing the club's annual RBL tournament.

- **RMIT Vietnam Green Generation Club**

A member of the largest community club at RMIT Vietnam. Had participated in fundraising activities and charity events.
